

## Young NPA National Meeting 2020 *'Looking ahead to future opportunities'*

Thank you very much to  
**A-One Feed Supplements Ltd**  
who are once again very generously sponsoring the  
Young NPA National Meeting

**When:** Wednesday 9th December 2020

**Where:** ONLINE (Microsoft Teams)

**Time:** 13.30pm – 16.00pm

### YNPA National Meeting

This year we are going digital! 2020 has not been the year any of us had hoped it would be, and, like everyone else, we have had to change how we deliver many of the activities planned. However, the YNPA steering group is determined to make 2021 even bigger and better, with lots of new events and more digital content to enable us to keep you informed and up to date.

At this year's National, as well as finding out about the YNPA's plan for 2021, we will also hear from industry experts on how the future of our industry and our levy board could look. We are also excited to welcome a producer that has forged their own markets to ensure a future for their businesses.

### What do we need from you?

This year there is no limit on space but we still need you to register in order to receive the link to the meeting.

The YNPA steering committee has also organised a small goody bag for YNPA members attending. In order to receive the goody bag in time for the meeting please **make sure you have registered by the 1st December**. There is a limit on these, so they will be distributed on a first come first served basis.

**To register** please email Andrea with your **Full Name** and **Address** [andrea.tranter@npanet.org.uk](mailto:andrea.tranter@npanet.org.uk)

For those that can't attend we are exploring the options for you to catch up afterwards.
